

KEEP THE PACE

You are invited to help keep the **PACE** as the Margate School District continues in its “Search for Excellence”. **Parents & Administrators Connection for Education (PACE)** is a Committee designed for parents and administrators to work together in our continuing search.

How Does PACE Work?

- 1) Parents who have questions, suggestions, or concerns (i.e., queries) regarding district-wide issues involving curriculum, safety, testing, etc. can direct their queries to any PACE Committee member by phone, through e-mail pacecommittee@comcast.net, or in writing (a PACE mailbox is located at Tighe School).
- 2) The **PACE** Committee will determine if an appropriate administrative channel (e.g., District Curriculum Council or Home & School/ PTO) currently exists to handle a query, and if so, it will direct the parent to such channel. If an appropriate administrative channel does not exist or a query has not been adequately resolved through such channel, then the query will be placed on the agenda for the next parent-only **PACE** Committee meeting.
- 3) **PACE** Committee meetings will be scheduled on an as needed basis (depending on the number of queries on the agenda) to determine the appropriate administrative avenue the **PACE** Committee will follow. These meetings are open to **all** interested parents. **It is the parents’ responsibility to follow-up their queries by attending this meeting.**
- 4) Representatives of the **PACE** Committee will present these queries to the appropriate persons of the Administration (i.e., Margate School Board Members and/or School Principals).
- 5) The **PACE** Committee will schedule a follow-up meeting where the Administrative representatives will meet with both parents and Committee members to respond to the submitted queries.
