MARGATE CITY SCHOOL DISTRICT
BOARD OF EDUCATION MEETING
AGENDA
March 4, 2020
5:45 P.M.

1. Call to order

2. Pledge of Allegiance

3. Certification of Notice

4. Roll Call

5. Public Comment: The Board of Education welcomes public comment and views this as an important aspect of community relations. The Board will set aside a portion of every board meeting for public comment on school district issues. Usually, there will be a public comment period devoted exclusively to comment on agenda items and a public comment period dedicated to general school district issues, however, this format may be altered in light of the business of the Board, provided that at least one period is set aside at each meeting for public comment. The maximum length of each public comment period is thirty (30) minutes unless stated otherwise on the meeting agenda.

The public comment period is a time for members of the public to express their comments and/or concerns. It is not a question and answer session. Notwithstanding, members of the administration and/or board members may choose to answer questions raised during public comment periods. They may do so during the public comment period or after it has closed. The public should understand that there are reasons why questions will not be answered, including reasons related to litigation, privacy, confidentiality, employment rights, student rights and the absence of information from which answers can be formulated.

Each speaker making a public comment shall state his name and address before speaking. As stated above, the total amount of time allocated to each comment period is limited. The following additional time limitations also apply. The total amount of time allotted to each speaker is limited to three (3) minutes. A speaker may not extend his or her time by seeking to utilize the unused time of a person who has spoken or who has yet to speak. The total length of time allotted to all speakers making public comment on a particular agenda item or on a particular subject will be limited to ten (10) minutes. The Board President, or the person presiding in the Board President’s absence, has flexibility to alter these time limitations. Absent his/her expressly doing so, the time limitations stated here apply.
