Fall Conferences – November 14, 15, and 16

Parent-teacher conferences at Tighe School are not pre-scheduled. Teachers will be available to meet with parents or guardians during the dates and times listed below in an open format:

- Wednesday, November 14 from 6:00-8:00 p.m.
- Thursday, November 15 from 1:30-3:00 p.m.
- Friday, November 16 from 1:30-3:00 p.m.

Parents may meet with one teacher or many, based on their individual needs and the time they have available. Parents are not given specific times nor can they sign up early with each teacher. Some wait time may occur to see each teacher, so your patience and understanding is appreciated. As a general rule, please limit your conference with each teacher to 10 minutes for math and ELA teachers, and 5 minutes for all other subject areas (as these teachers instruct from 2-4 entire grade levels). Parents may attend multiple conference days, again based on individual preference. Parents can also choose not to attend conferences, or they can contact their child's teachers through email, if they would prefer. Please understand that child care is not provided during conferences, so students should not be in the building unattended. - *12:45pm dismissal for students on all three days*

Annual HOUR OF CODE (Computer Science Education Week) - December 3-7

Look for activities in your child's math classes to encourage computer science education!
